## Why Join the Chamber?

Every member who joins The Johnston County Chamber of Commerce has their own personal reasons - some join to support our efforts to make Johnston County the very best business climate we possibly can, others for network/business development, and then there are those who want to serve the community through our committees. The fact is, there are a variety of benefits and incentives that come along with a Johnston County Chamber of Commerce Membership.

Research has shown that consumers prefer to work with businesses that are Chamber-members. Why? Because there is a trust factor that surrounds businesses active in community affairs, and the Chamber association adds an extra layer of credibility. The Schapiro Group, a respected national research firm, conducted a study detailing these compelling results:

- **63% of consumers were more likely to buy goods and services from a company they believe is a Chamber of Commerce member.**
- **51% of consumers were more aware of a business based on its membership with the Chamber**
- **57% of consumers were more likely to think positively of a business's local reputation**
